Dear Judge Parker:

It has come to my attention that you are blocking SB0003/HB0009, the bill signed into law to end public sexualized performances in the presence of minors in Tennessee. Please allow this bill to go into effect to protect the innocence of our children from inappropriate drag queen shows.

Purposely exposing a child to adult sexuality is tantamount to child endangerment and child sexual abuse, whether or not a child is touched. Non-touching behaviors can be just as upsetting and emotionally harmful to a child as some touching behaviors. Hopefully, your final decision on May 26 will enable this bill to go into effect without further delay.

Thank you,

Michael Casey
